

Social Security Disability

Eligibility-

Anyone who believes they meet Federal Disability requirements is eligible to apply. Your family members may also receive benefits if you can no longer work due to a medical condition.

You are considered disabled under Social Security rules if:

- You cannot work due to a medical condition;
- You cannot do work that you did before;
- We decide that you cannot adjust to other work because of your medical condition(s); **and**
- Your disability has lasted or is expected to last for at least one year or to result in death.

People who have worked long enough may also be able to receive Social Security Disability Insurance benefits as well as Supplemental Security Income (SSI) benefits.
