EMERGENCY RALLY

WE NEED ALL DEPARTMENTS AND ALL TITLES TO COME OUT IN SOLIDARITY

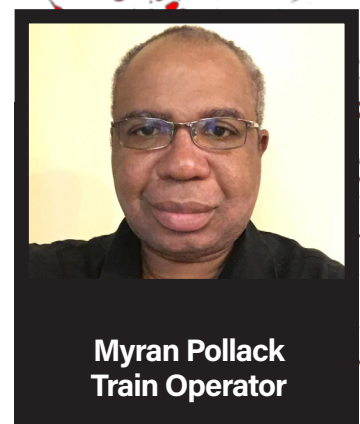

We stand united to ensure that NO Transit Worker has to face this level of violence while simply doing their job.

We don't come to work to end up in the hospital!

Transit Workers should be RESPECTED and PROTECTED!

Local 100 members shouldn't be putting their lives on the line every day to move this City, and it's time for policies that truly safeguard those who serve this City.
