Pick Dispatcher
Policy & Procedure

Re: MTA Bus Pick Dispatcher

February 7, 2025

The following policy is being established to make clear, a fair and consistent procedure for filling Pick Dispatcher and Alternate positions. This Policy and Procedure will govern at all TSO MTA Bus Transportation Depots.

Note: Current Pick Dispatchers and alternates that are in place will stay in place with no changes until a Pick Dispatcher or alternate comes out of the position for any reason.

1. Each Depot will have a Pick Dispatcher and one (1) alternate.
2. Once a Pick Dispatcher leaves the position, the alternate will move into the pick Dispatcher position and the vacancy will then be in the alternate position.
3. The vacant alternate position will be filled in seniority order starting from #1 in seniority at that Depot.
4. If both pick Dispatcher positions (Pick Dispatcher and Alternate) become vacant, both positions will be filled in seniority order at that Depot, from #1 in seniority down.
